

Notes from the Nurses Office

The health and well being of our Prout School community is very important to us. We want to provide the optimum school experience for our students. Enclosed are the health forms to ensure our information is accurate and up to date for our students.

1. The Student Health Questionnaire required for all students.
2. The State of Rhode Island School Physical Form required for all newly enrolled students.

In accordance with state regulations TPS students trying out for an athletic team are required to have an annual physical and submit *the RIIL Pre participation physical evaluation*. This form is in addition to the RI School physical form.

The RIIL forms must be submitted to the athletic director prior to any participation in all sports.

3. The Over-The-Counter (OTC) and Prescription Medication Consent Forms.

As per school policy, all medications require a physician authorization/signature and parent authorization to be dispensed at school. The forms must be submitted each school year and expire at the end of the school year. Prescription medications include inhalers and EpiPens. Prescription and OTC medication authorization forms can also be downloaded from the school web page.

All forms can be printed from the school website.

Bring the forms and all prescription medication in the pharmacy labeled package to the school. All medications must be carried into the school by an adult and given to the nurse.

The school based Flu Shot Clinic will take place in October 2020 with date to be announced. Registration will be available on the school web site in the fall.

The state mandated vision & dental screening will be scheduled in the fall of 2020 for all Grade 9 students. Parental/guardian permission is not required for the stated mandated screenings. We will accept a physician's signature or parent/guardian note including name of dentist and last appointment date to decline dental screening.

We look forward to a healthy school year! Please feel free to contact us via email NURSES@THEPROUTSCHOOL.ORG or phone 789-9262 x521 with any questions.
