DEAR PROUT COMMUNITY,

As another graduation draws near, I look back at the 2022-2023 school year with great happiness. Coming out of the challenges of the last few years, I believe we are now an even stronger community of learners, believers and friends.

In his first letter to the Corinthians, St. Peter tells us: "There are different kinds of gifts, but the same Spirit. There are different kinds of service, but the same Lord. There are different kinds of working, but the same God works all of them in all people. Now to each one the manifestation of the Spirit is given for the common good."

Our emphasis this year was 'honoring God's gifts', a process of self-discovery, development, and dedication.

To fulfill St. Peter's words, our students set individual goals based on an assessment of their strengths and their areas for growth. Students received feedback throughout the year as they sought to develop their God-given gifts.

Ultimately, we want each Prout Crusader to dedicate his or her gifts to a higher purpose, inspired by Jesus' ministry on earth.

We hope this issue of *The Crusader* illustrates just that.

God's blessings to all,

Darry. Etc

OUR CATHOLIC IDENTITY

The Catholic faith tells us that Jesus calls us to a life that values, serves, and loves others. The powerful message is one of the most important life lessons, and one that the Prout community is built around. Throughout this year, students, parents, alumni, faculty and friends came together to honor and carry out that message, by serving others in all kinds of ways.

ARIADNA RAMOS '23 "DOES SOMETHING" FOR THE **CHILDREN OF GUATEMALA**

Inspired students can change the world. And for Ariadna Ramos '23, the desire to create societal change is personal. Having lived in Guatemala as a child, Ariadna remembers the difficulties and hardships that many of the Guatemalan children faced.

Reflecting on those days, Ariadna recalls, "I knew that when the time came, I would do anything I could to improve the lives of those children."

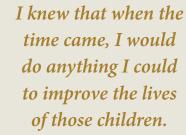

And so she did. Ariadna created a service project, called Do Something, aimed at helping children who live in extreme poverty in Guatemala. In order to raise funds for her project. Ariadna hosted a fundraising event that showcased the beauty of Guatemala through music, food, and culture.

"Cultural awareness is significant in order to bring understanding and empathy to others in the world," said Ariadna.

With the money she raised, Ariadna bought food and other necessities for the the children living in the area called

"My goal was to actively get to know the children I met, to know their trials and

Guatemalan children, including a few gifts to bring them joy. Then Ariadna used her own funds to pay her way to Guatemala to personally deliver what she'd purchased to La Limonada.

struggles, and, most importantly, to be an instrument of hope to them."

The Prout School is honored to have students like Ariadna who help further the school's mission of service to our communities.

PROUT FIGHTS FOR A CURE

Prout students have supported the cause of breast cancer awareness for many years by participating in the Gloria Gemma 5K Walk, but this year it was personal. When math teacher Mrs. Heather Records was diagnosed with breast cancer, the students increased their efforts accordingly.

In October, Breast Cancer Awareness month, the girls' soccer and volleyball teams helped raise money at their "Pink Out" home games. And more than 100 people from the Prout community, many wearing "We Love Mrs. Records" T-shirts, participated in the Gloria Gemma Walk in Providence. All told, Prout's efforts raised more than \$3,000, earning Prout a place in the top 10 of all the teams participating in the event.

PROUT HELPS FLORIDA

Hurricane Ian is now known as the thirdcostliest weather disaster on record. The hurricane closed schools, restaurants and stores, left people without power, and destroyed homes. Recognizing the aftermath was still being felt by Floridians, the Prout community organized a schoolwide fundraiser to help with relief efforts. Students sold "Prout Helps Florida" bracelets, raised over \$1,000 for Floridians in need, and proudly delivered the proceeds to Bishop Tobin.

KEEP THE HEAT ON

As home heating costs have reached record heights, Rhode Islanders are struggling to keep up with utility bills. So, this fall, Prout students hosted a breakfast fundraiser, resulting in a donation of \$500 to Keep the Heat On, a program of the Diocese of Providence that provides aid to those who are struggling to pay their heating bills.

OUR CATHOLIC IDENTITY con't

PROUT DELIVERS **TOYS FOR TOTS**

Toys for Tots works to ensure that those who are economically disadvantaged are able to enjoy the most basic joys of Christmas. This fall, the Prout student council collaborated with the Marine Corps to collect new, unwrapped toys and deliver them to less fortunate children.

BULKING UP THE BANKS

One of the school's longest-running community service projects, Bulking Up the Banks, collects canned goods to "bulk up the food banks" in South County. This year, Prout's Justice, Equality, Diversity and Inclusion (JEDI) Club hosted a giant food drive and donated over 400 pounds of food to The Jonnycake Center of Westerly.

CRUSADER EXCELLENCE

Congratulations to Thomas Simonetti and Julia Thacker for receiving their Saint Timothy Awards. This award from the National Federation for Catholic Youth Ministry is the highest honor a diocese may present to a Catholic youth. Prout religion teacher Mr. Philip **Faraone** received the *Companions on the Journey* award, given to Catholic adults who have been active members in parish, school, and/or diocesan activities for youth for at least five years.

54TH COMMENCEMENT EXERCISES

Prout graduated 89 students at its 54th Commencement Ceremony on Sunday, June 5, 2022 at the Cathedral of Saints Peter and Paul in Providence. The Most Reverend Robert C. Evans, Auxiliary Bishop of Providence, presented the diplomas to this year's graduates.

Abigail DiIuro gave the welcoming speech and Hugo Lehrach gave the farewell speech. Cameron Fonseca, class president, led the graduates in the traditional tassel ceremony.

Christina Wanta was the recipient of the Elizabeth Prout Christian Service Award given to a student who embodies the spirit of giving. Alexandra Gencarelli was the recipient of the prestigious Crusader award, given to a senior who best lives the ideals of The Prout School.

We are proud of our seniors who were offered more than \$6,306,685.00 in scholarships and grants over a four-year period.

Congratulations to all of the graduates. We look forward to welcoming you back to campus as Prout alumni.

Aidan Skidds, Valedictorian

Aidan was a National Honor Society member, Student Council Recording Secretary, a Peer Minister, and a participant in Model Legislature. He was on the varsity cross country, track and baseball teams.

Siena Algeo, Salutatorian

Siena was a member of the math team, the tennis team, and the varsity gymnastics team. She was a Peer Minister and was recognized for her work with Project Fashion Works.

Gracious and Provident *Father, we thank you* for this joyous day, and for your gifts, which shine so brightly in these graduates.

Bless them with patience as they explore new opportunities.

Bless them with humility in the face of success and abundance.

Bless them with compassion for the vulnerable, the marginalized, the poor, the sick, and the suffering.

Bless them with generosity in the midst of the challenges to come.

Bless them with gratitude for all who have supported them through this journey and helped them reach this moment.

2022 MEMORIAL SCHOLARSHIPS

These scholarships were established in loving memory of deceased members of our Prout community. We appreciate the families who have chosen to memorialize their loved ones in such a positive and life-affirming way.

The *Kristen M. Duhamel Memorial Scholarship*, which provides a tuition credit to a rising senior who plans to pursue a career in nursing or healthcare, was awarded to **Gabriella Lamendola '23**.

The *Colin B. Foote Memorial Scholarship for Excellence in History*, is awarded to an outstanding junior with a passion and special interest in US History. This year's scholarship, named after Prout alum Colin Foote '01, was funded by the Class of 2001 and was awarded to **Anneliese Demers '23**.

The *J. Lincoln Pearson scholarship for Excellence in Science*, named for the late husband of retired Prout administrator Louise Pearson, went to **Victoria Jacobs '23**.

The Loffredo family provides the funds for the *Robert J. Loffredo, Saint Mary Star of the Sea Church Memorial Scholarship*. The recipients of the scholarship must get good grades and be active members of Saint Mary Star of the Sea. **Jake Demos '23** and **Sarah Lavallee '23** were the 2022 recipients.

Maya Madison '23 received the 2022 *Pat Castelli Award for Excellence in Spanish*. The award offsets the IB fees of a student who excels in the Spanish language. Pasquale "Pat" Castelli was a beloved teacher of languages for 16 years at The Prout School. The scholarship was established by the late Lou Bruno, a former language teacher at our school and a close friend of Pat's.

NATIONAL MERIT SCHOLARSHIP PROGRAM

The 68th annual National Merit Scholarship Program recently determined which of the thousands of Semifinalists met all requirements to advance to Finalist standing in the competition.

Gavin Girard '23 has been named National Merit Scholarship Finalist. The distinction places Gavin in a group representing less than 1% of all high school seniors in the country, including the highest-scoring entrants in each state. Gavin is now being considered for a National Merit Scholarship Award.

In addition, four Prout students were named Commended Students in the National Merit Scholarship Program:

Cara Eaton '23, Jesse Fitzelle-Jones '23,

Victoria Jacobs '23, and Claire Lewis '23. Although these studdents will not continue in the 2023 competition for National Merit Scholarship Awards,

Commended Students placed among the top 50,000 students who entered the competition by taking the 2021 Preliminary SAT/National Merit Scholarship Qualifying test.

LIVE THEATRE RETURNS TO PROUT

After some creative improvisation required by COVID restrictions, the Prout Theatre Company came roaring back with two fun productions. The students were directed by Valarie Remillard in her first year at Prout as Theatre Teacher and Director.

Clue, a fun, lighthearted and comedic piece about the beloved suspenseful board game was presented in November 2022. According to The Independent, "The show was a hit, and impressing the crowd was the talented freshman, Jack Paiva, who played piano live throughout the show!"

Described by Edward Albee as "the greatest American play ever written," Our Town presents the small town of Grover's Corners in three acts: "Daily Life," "Love and Marriage" and "Death and Eternity." Narrated by a stage manager and performed with minimal props

and sets, the play depicts the simple daily lives of the Webb and Gibbs families as their children fall in love, marry, and eventually – in one of the most famous scenes in American theatre – die. The Prout Theatre Company performed this simple but moving classic production in January of this year.

Guys & Dolls, a classic crowd-pleasing musical, is Prout's spring production, scheduled for April 28 and 29 in the Prout Auditorium.

MEMORIAL ARTS SCHOLARSHIP RECIPIENTS

Last spring, during Honors Night, these current seniors were awarded for their talent in the arts with a tuition credit scholarship.

VISUAL & PERFORMING ARTS con't

Anneliese Demers was awarded The Hanumara Scholarship, given to a rising senior for his or her excellence in drama. This scholarship was established in memory of Hilary Hanumara, mother of Nevan Hanumara '99. Both Mrs. Hanumara and Nevan were very involved in Prout's theater productions.

The Alicia Storti Memorial Arts Scholarship, awarded to an outstanding junior who is passionate about visual message and possesses great technical skill, was given to Lillian Borke.

Maya Madison was the recipient of the Walter Aubin Memorial Scholarship. Walter Aubin '11 was a gifted actor whose artistic vision colored every character he played, every set he helped build.

Do not miss this year's IB Dance performance, scheduled for May 4, 2023 in the Prout Auditorium. Pictured here is a scene from Cat Wanta's IB Dance performance last spring.

ATHLETICS

We started the year with the grand opening of our newest multi-purpose turf field, but the Prout Crusaders demonstrated their skill and spirit in other arenas, as well.

GIRLS SOFTBALL TEAM

The girls' softball team finished out their season last spring with a 3-2 win against Mt. Hope to win the Division II championship. The game, played at Rhode Island College, went into ten innings. Alivia Ring scored the winning run.

GOLF TEAM Last spring, the Prout golf team won the Southern Division, over the North Kingstown Skippers.

GYMNASTICS TEAM The Prout/EWG gymnastics team won the Division II state championship. This was the first season at Prout for Shaye Rooney, head coach for the team.

GIRLS SWIM TEAM The Crusaders girls' swim team brought home the D1 championship and came in second in the states.

BOYS BEAT LSA

Prout Hockey beat La Salle 3-2 in a history-making game on January 11, 2023. It was the Rams' first loss in regular-season league play since the 2021 season. And, most importantly, it was the first time Prout hockey team has ever beat La Salle! The Crusaders went on to top Mt. St. Charles, another hockey powerhouse, later in the season.

CLUBS & ACTIVITIES

For Prout students, the learning does stop when classes end. Student-led organizations are an important part of the educational experience.

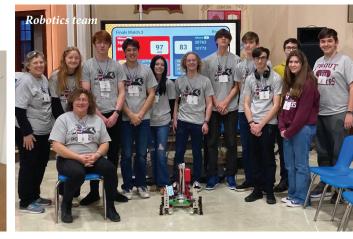

Prout's new Academic Decathlon team consisting of Jesse Fitzelle-Jones, Maddy Laviolette, Maddy Bormes, Blake Sykes (all seniors), and Calista Leroux '25 -- competed with teams from all over Rhode Island. Jesse Fitzelle-Jones won a bronze medal in the math competition. Maddy Laviolette won a silver in the essay competition and a bronze medal in the art competition. And Maddy Bormes won a silver medal for her interview in front of the judges.

Prout's Mock Trial team, which competes in the Rhode Island Legal Education Foundation Mock Trial Tournament, had an exceptional performance in the first round of this year's competition. Prout earned a tie with Bishop Hendricken. Prout's team has been coached by Michelle Ruberto Fonseca '83 for the past five years.

Prout's robotics team, called Team Hyperion, competed at the Rhode Island FIRST Tech Challenge Qualifiers in January. An alliance between Shea High School and Team Hyperion was able to beat the top four alliances in their bracket, winning First Place Alliance. At the event, Team Hyperion was also awarded the coveted Inspire Award, which is given to teams that exemplify professionalism and act as a role model to others for intelligent design, inclusivity, organization, and team spirit.

Team Hyperion advanced to the state competition on March 4 at New England Tech and placed 11 out of 24 teams.

Members of Prout's National Honor Society bring Christmas cheer to the students at Bishop McVinney School, a Diocesan Catholic grade school serving children from South Providence and the surrounding urban area.

Youth Force is a traffic safety and leadership program, organized by the Rhode Island Police Chiefs' Association and other organizations. The Youth Force program has three components that it focuses on - substance abuse, mental health, and impaired driving. Prout's efforts this year honored Michaela Lynch, a victim of impaired driving.

THANK YOU **DONORS!** A sincere thank you to the many individuals, families and organization that financially support the efforts of our school each and every day Your generosity makes a difference in the lives of our students every "Prout has helped me learn my God-given talents, and taught me to utilize them in my everyday life. I have learned leadership, both inside and outside the classroom, and have become a better person in my community and society as a whole. Being a student at Prout is not just about the things that happen in the classroom, it's about the moments that happen in between that make it such a great place to go to school.' - Annie Demers, Class of 2023 *12 the crusader*
